Once Again, The Best Summer Ever

Jared Reiter's Review of the Summer

The summer of 2012 is another one for the history books! Starting off with our Big 90th Year Alumni Reunion, camp fever was turned up high straight from the get go. It was great to see all generations of camp coming together and hanging out and celebrating...all things CAMP Towanda! The alumni event got the counselors so psyched that once the campers crashed onto the Towanda shores they were already in full gear!

Beyond the daily activities, the inter-camp games, the special events, the evening activities and the all around bonding, growing, friendships, laughter and over-all developing brotherhoods and sisterhoods of all the groups at camp; there were so many special moments that help make 2012, the best summer ever!

The annual 4th of July on the 5th kicked off an all-involved CT rendition of *American Pie*...that seemed to last all summer long (If you haven't, check out the *American Pie* Video at <https://vimeo.com/49873267>)! The water carnival couldn't have come sooner as it was living up to be a very, very, very, very hot summer! Thankfully and with much pleasure we were all splashed down at CAMPAPALOOZA featuring *Waking Heroes*! The latest addition to Towanda, the Gymnastics Pavilion, quickly became a quite popular activity as we all got to jump in the awesome foam pit and on the spring floor! Girls' Sing proved once again to be a Towanda all-time favorite, as each group outdid the last, singing and clapping their hearts and souls out! Hard to pick a winner, but as Club Group Leader, I thought the best part was the

Club's support and enthusiasm of the *Cartoon Dorm*, with signs and cheering throughout the evening that really made the night special. And if that night wasn't entertaining enough, the camp plays of *Snow White*, *Damn Yankees* and *Hairspray* certainly knocked us off our seats! Highlighting our truly incredible summer was definitely the Club, as they unveiled their theme in the image of the Hulk as the *Incredible Club* the night before Visiting Day. With Presidents Adam Belizzzone and Jordan Berke cutting the ribbon to start the charge of the light brigade, all campers and counselors welcomed the parents and showed off their beloved summer home! But it wasn't soon after that our older campers took to the busses and were off around the world on their Senior Trips, visiting Boston, Montreal and Toronto! While those back at camp had just as much fun with Backwards Day, the Counselor Hunt and a trip to the movies! Then it wasn't long until Airbands came along and just as the Club boys had included a mock version of the *American Pie* video in their act, Mitch needed us to reshoot the chorus for the actual video (just one more time)! As soon as we drove our Chevy to the levy and our stomachs began to growl, fireworks exploded above the field house and confetti covered the amphitheater signaling the breakout of Olympics! The *Red Jesters* and *Blue Royalty* fevered competition swept through camp and proved to be another very close race, coming down to just about a 2 point split! The Dorm concluded the 5 days of super fun with their alma

mater, bringing us all back together once again, as one giant camp family! The fun continued yet again with the annual trip to the Wayne County Fair where everyone got their fill of fried Oreos and buffalo chicken pretzel sandwiches! The end of summer Talent Show took the stage and outshined, summarized and delighted everyone, boasting all of camps' creativity and talent! A true sense of family and community was felt by all acts, highlighted by the presentation of "Fall" by Dillie girls' Rachel and Sydney! If you haven't, check this out: <https://vimeo.com/49699566>. The summer of 2012 burned into our memoirs as we sat in the Field House the last night of camp watching the numbers blaze away into the night, leaving a great feeling in our hearts and memories. This was truly an excellent summer!

Can't wait to see you back at camp next summer, when you can BET it will be LUCKY 13!

Healthy Sports Season

by Athletic Director, Mike Thompson

It was another Healthy Sports Season at Camp Towanda in 2012. As you know, Mitch always says that Camp Towanda offers a lot of opportunity for competition, but that Camp Towanda is not competitive. That is true...and important. When we play a team, our kids and coaches have healthy attitudes; this is because our philosophy is to have fun, utilize some of the skills you have been learning, exemplify positive sportsmanship and be a good teammate. By virtue of that attitude, we win! We are less tense and definitely more relaxed than our opponents. That, and we call you up to the flagpole even if you don't win! Despite all that, we had another victorious season. Not to diminish the great efforts of all of our players, coaches and teams, here are the top results of 2012:

24 Championships!

Wayne County Tournaments

Boys: 10th/11th Grade Baseball, 7th Grade Baseball, 5th Grade Basketball, 10th/11th Grade Lacrosse, 7th Grade Lacrosse, 7th Grade Soccer, 10th/11th Grade Team Tennis, 10th/11th Grade Volleyball

Girls: 10th/11th Grade Lacrosse, 10th/11th Grade Soccer, 8th Grade Soccer, 5th Grade Soccer, 7th Grade Softball, 7th Grade Volleyball

Towanda Invitational Tournaments

Boys: 8th/9th Grade Baseball, 10th/11th Grade Basketball, 7th Grade Hockey

Girls: 5th Grade Soccer, 7th Grade Soccer, 6th Grade Softball

Renegade Invitational Tournaments

Girls: 5th Grade Basketball, 6th Grade Basketball, 6th Grade Soccer, 5th Grade Softball

Along with the new camper nicknames, another tradition at camp is that we have fun with names; we are certainly combining the two traditions as we welcome the 2nd Taylor Haber to camp in 2013!

AS I SEE IT

(Note: Melanie Buck works in the winter camp office and during the summer she is a Group Leader on Girls' Camp; her love and passion for Everything Towanda is contagious and we are very proud, happy and privileged to have her as an important member of The Camp Towanda Family; everyone loves Mel!)

As I reflect on the Summer of 2012, I find it incredible that at age 23 I can still agree with our campers that every summer was the "BEST SUMMER EVER". As a Camp Towanda staff member, I put my heart into making it amazing for the campers with the hope of creating the same love of camp in them that I possess after my own 20 years as a camper and counselor. The remarkable thing is that they give it right back and do the same for me by allowing me to share in their summer experience of growth, learning and fun.

What I like to call "the magic" of Camp Towanda happens when we watch the child who never really stood out before begin to shine at camp. I have the unique opportunity to speak with so many of our campers' parents throughout the winter about their various concerns related to their child's summer - - "Will he be homesick?", "She's so shy.", "She doesn't adjust well to change.", etc. It's unbelievable to watch those same children during the first few days of camp as they adjust to life at camp and exceed all of their parents' expectations. That's the true magic of Camp Towanda!

For Towanda campers, the camp experience is truly about learning valuable life skills - - how to be part of team . . . how to make friends . . . how to work, play, and live together . . . how to consistently display great sportsmanship . . . how to show tolerance and respect for others . . . how to set personal goals and strive to reach them . . . how to live independently and responsibly. Learning and practicing these life skills in our camp community, amongst our own camp family, will ultimately help our campers develop into confident and capable contributors to their own communities and "winter families" when they're away from camp. Believe it or not, these life skills will even help them later on when they are ready to go off to college and make the adjustment to living independently, away from home.

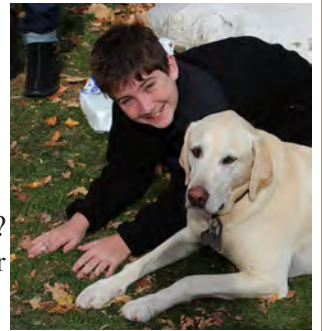

I've enjoyed sharing the past 2 summers with "my girls" - - first as Debs and then as Dillies. I take pride in watching them grow all summer long and from summer to summer. They're building truly special camp friendships and gaining self-esteem, all while having the time of their lives. This experience is echoed throughout CT in each and every age group, from the youngest first year campers to the oldest who have been with us for years. The Camp Towanda experience is really all about memories, friendships and growth opportunities for our campers and staff that last a lifetime!

If you want, you can email me at melanie@camptowanda.com, I'm at the winter office right now!

OUR FALL FOLIAGE BBQ

Remember back to early October before the crazy weather patterns? Well, we lucked out with a crisp, blue, gorgeous autumn day for our ANNUAL FALL FOLIAGE NEW CAMPER BBQ at camp!

A terrific crowd of over 250 people gathered at camp to get familiar with some of the people and the property. The DORM GIRLS of 2013 welcomed many of the new families as we sipped hot cider, played kickball, frisbee, tetherball, tennis and volleyball, rode the toboggan slide, strolled around camp and ate some delicious burgers and dogs!

We were very proud of the DORM GIRLS and staff that slept over the night before; everyone was so psyched and excited and it was just a really great day!

The BIG 90th ALUMNI REUNION

As Jared mentioned in the front-page article, our summer kicked off with the 90 Year Alumni Reunion! This was a very special event! We had alums come back to their summer home dating over a five-decade span! What a treat for everyone. Despite the gloomy weather; everyone felt the love, warmth and comfort as flashbacks, stories (perhaps somewhat embellished, but after all, isn't that what makes a great camp story!) and hugs reunited the crowd.

No matter how many years separated us, once we got back together, a beat was not skipped and you could feel, smell and sense the love! We had a softball game, a re-enactment of the great Apache Relay (Senior Citizen style), Ghost for the ages, great campfire and some great food and awesome Camp Towanda souvenirs.

The spirit, the tradition, the legacy, the brotherhood, the sisterhood and the overall pride everyone felt back at their summer home was overwhelming and To-wonderful! Stephanie and I were proud to host this special occasion and look forward to the BIG 100 (did someone mention accessible ramps?)!!

In the meantime, keep in mind that we welcome our "over 21" alumni each year to our Annual Alumni Lunch BBQ on Sunday July 21, 2013 and as Guest Olympic Judgies (please contact camp for more information).

Special Note: Unfortunately, the video testimonials that so many people made during the alumni weekend were zapped off of our hard drive during a freak electric storm in June. We lost all that great footage. We ask our alums to take a moment and email Mitch a Hi-Def video testimonial to make up for it. We would love to have your sentimental reflections. (mitch@camptowanda.com)

Another Note: We are missing the Olympic Booklets from 53, 57, 72, 73 and 88; just in case someone has a copy!

WELCOME TO THE SUMMER OF 2013!

We want to welcome our latest group of new campers for 2013. It won't be too long before you are part of the CT family, knowing everyone, feeling very comfortable and lovin' your new summer home! As is our tradition, we have assigned you a temporary nickname until you show up; don't worry, you can change it or your counselors can help with that! In the meantime, Welcome To Camp Towanda!
