## THE POWER OF CAMP

(aka Pelton Power)

*Michael Pelton has called Camp Towanda his summer home for 16 years; he started as a college age General Counselor and has grown to be a vital and integral member of our camp family (He is presently the Boys' Assistant Head Counselor). It is important to know that whenever MP walks into a room, the entire camp breaks into the traditional "Michael Pelton, (clap-clap) Michael Pelton" song. During the summer of 2005, his first as a Dad, he spoke to his fellow staff members and campers during one of our Friday Shabbos Services.*

In 1991 I started out on the adventure of a lifetime as I packed my car and drove from Berea, Ohio to Honesdale, PA. It was my first solo adventure, my first opportunity to grow in a way I never expected.

I remember getting lost on the dirt road, then finally stepping on to campus without a single friend in sight. My only contact had been with Mitch by phone, and since this was long before [www.camptowanda.com](http://www.camptowanda.com), I wasn't even sure who I was looking for.

I spent the summer of 1991 with Middie boys. Though most of it is a big blur now, I know the experience must have been great. Though circumstances did not allow me to return until 1994, I knew I still had a lot of growing to do.

As the years have gone by, people in the outside world have often asked why I return to Camp Towanda year after year. Could it be the food? *Well...Jonesy does bake a mean chocolate-chip cookie.* Could it be the fabulous laundry service? *Truth be told, I've only lost a few socks over the years.* Could it be the rest, relaxation, peace & quiet or even the pay that bring me back year after year? *Okay, maybe it's not those things either.* The answer for me has always been the same - the answer to why I return year after year is what brought me to Camp Towanda in the first place - the opportunity to grow.

I have had an opportunity to grow in my confidence and leadership as I learn from my long time mentors like Mitch, Stephanie, Bob and Z. I have had an opportunity to grow with many of the campers here as well. I have watched my beloved Willow Grove van become the Willow Grove bus. I have watched Cadets and Dillies like Adam, Hani, Alex, Dan & Ryan become your counselors of today. I have seen Andy Miller "the camper" (my camper...) become Andy Miller "the Group Leader", become Andy Miller "the General", and now Andy Miller "the Graduate."

I have had an opportunity to grow personally too meeting my very best friend, Lisa, in 2000 while she was sitting road duty playing with a chipmunk. As our friendship grew stronger, we grew closer and fell in love. It was only fitting that we should get engaged with 40 of our closest friends by our sides, during the Waiter Trip to Niagara Falls. The same friends we had grown up with at Camp Towanda. Even at our wedding, those friends we had grown up with were right by our sides as Rusty and Denise made the trip to Iowa.

Today, I have a new opportunity to watch someone grow up at Camp Towanda, just the same way her mommy and daddy have grown up. Looking at Camp Towanda through my daughter Gracie's eyes has given me a new perspective on growing up at Camp Towanda. This is one experience I never dreamed of or expected way back in 1991.

You too have each been given a special opportunity to "grow-up" at Camp Towanda. Whether growing up to you means learning to ride a bike, conquering your fear of the climbing wall, or something even tougher like how to handle the disappointment of not being in the bunk you wanted, Camp Towanda offers you a opportunity to grow in more ways that you can ever imagine.

As you look back on the photos of the "Summer of 2005", and you IM and text your friends about the memories of the past and the memories yet to come, make sure you take a moment - just a brief moment to say "thank you" to your parents and grandparents for allowing you the opportunity to "grow-up" at Camp Towanda. It changed my world for the BEST and it can do the same for you!!

Lisa, Gracie and I wish you the very best and hope that your family takes time this holiday season to reflect on the opportunities that await you in 2006. Have a safe, happy and healthy holiday season.

*Michael Pelton*

If you know of any camp related gossip, please send it our way for the next issue of The Towanda Times!

## ATTENTION PARENTS

## Phone Broadcast Awareness

From time to time we send out "Phone Broadcasts". These are pre-recorded messages from Mitch & Stephanie. The reports we receive indicate that some households do not receive the taped messages because you might have arranged for calls of this nature to be blocked, someone hangs up because there is a slight pause before the message starts, the answering machine disconnects the call, or one may think it is a solicitation call.

For your information (FYI), these messages might indicate bus arrival and departure information, summer emergency messages, and/or off season reunion news.

## Community Service Update...

By Dara Bernstein, LIT 2006

On October 23rd of this year, a group of fellow Leaders-In-Training (LITs, the 16 and 17 year olds) volunteered for the Foundation Fighting Blindness' Walk For Sight. We proved the weatherman wrong and instead of the expected thunderstorms, wound up with a beautiful day in Central Park in New York City.

The volunteers handed out water bottles to the participants in the walk as they ran through Central Park to help find a cure for blindness. All of the Leaders-In-Training had a great time helping people while also spending time with camp friends, which is always lots of fun. The Dorm and Club members of 2005 got a great preview of what their coming summer will hold as LITs and the 2005 LITs had the opportunity to add on to the great things they did last summer. It was an excellent experience and the event raised over \$50,000.00.

# 2005 REUNION RECAP

The Paramus, New Jersey Sportsworld Reunion was yet again a tremendous gig! Our camp family flew in from all corners of the Northern Hemisphere to attend...and it was **STANDING ROOM ONLY**. In fact, if you ever really wanted to know the true meaning of that phrase, you should just attend this reunion.

That is part of the excitement that makes being a part of the Camp Towanda Family so great; For three hours we felt the buzz of life at camp. The hugs, the hellos, the Friday Night Flix Highlights, the pizza (camp without pizza??), the tokens and those awesome cube pads (as well as bumper stickers, window decals, cool new business cards, camp pens and those punny **PENCILS** from **PENCILvania**!

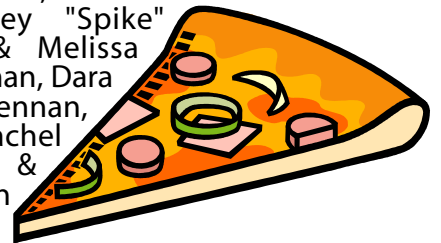

Some campers had sleepovers; the prize goes to the **CLUB & DORM** of 2006; they arranged a school bus for their after reunion transportation (see picture).

It was great to see everyone! If you weren't able to make it don't worry, camp is just about 200 days away! (We have mailed the FNF Highlights to those that were not able to attend).

# Feeling Camp

Emily Feinstein, DORM GIRL 2006, seven years at camp and one of the three famous *Singing Feinstein Sisters (Plus brother)*; moved the entire camp, with her exquisite talent and presence, last summer during the Final Talent Show as she presented this song to her groupmates in honor of concluding their Senior summer and entering their Dorm Year. To view Emily's live presentation, click on VIDEOS, Summer 2006, in the MEDIA ROOM section of our website

*There's a place that's inside of my soul  
It's the place that I've tried  
to come year after year and again*

*so I rush right back to camp

*sit in the dark and gaze at the stars

sharing secrets and dreams for so far  
never knowing the hard work  
that we will some day  
have at hand*

As we get closer to *CAMP 2006*, it is good to know that a lot is going into the planning for another awesome experience. Our camp is all about the people, the caring, the family; but it doesn't hurt that we take great pride in our facilities too.

Some things to look forward to for the summer of 2006: We are building a new **MEDIA CENTER** to handle our growing web technologies. New, improved and spacious facilities....whereas this department virtually did not exist 5 years ago, we now have 4 full time **MEDIA STAFF** (under the direction of our Media Director, "Friday Nite Chris" Loehrer). The Media Center will also house The Towanda Times, WCTR- 1600 AM and our new poster laminating machine! Speaking of the web, our website is being "reinvented" and the new site should be up and bug free by March 1st!

Many of you already know that we trying to go paperless with MyCampMinder.com with Applications and Health Forms on line. More paperless to come!

We have also built new housing for our KMP Staff (Kitchen and Maintenance Personnel), including a soundproof sleep room for our overnight security guards.

We also bought our maintenance department a new dump truck. Not only does this add to our fleet (which includes those Jetsonish **GEM** cars), but it makes for better fire wood collecting power!

In addition, we have built a new **GUEST BATHROOM** for visiting teams.

The **GULLY HOCKEY ARENA** is still under construction but our contractor says it should be ready to move in by April first!!

We have also added a new **STAFF LOUNGE**, complete with satellite TV, DDR dance game, karaoke and a snack bar.

We are happy to announce that we have hired Michael Brandwein to help guide our staff through the summer. Michael is a renowned leader trainer. He has written two best selling books, Terrific Staff and Super Staff - Super Vision and two Emmy award winning programs on communicating with children called Parenting Puzzle and The Middle Years. We are very excited that Michael will be part of our team, surely making us better!

More **CULINARY CLASSES**, more **NATURE HIKES** with **NATHANIEL**, more night glow balls for **GHOST, SOCCER, BASKETBALL** and **VOLLEYBALL**. By popular demand, we will be offering mid-summer **HAIRCUTS** as an **OPTION**.

All this and exciting, non-stop programming of activities, tournaments, special events, shows, entertainment, creative presentations and, and, and.....

That's not all, there is always s'more to expect.....and then some.....at Camp Towanda!!
