Spring Issue, 2006 Vol. 84 number 4 "New Home For Friday Nite Flix in 2006"

©2006 Siked!

I SAY "CAMP", YOU SAY "TOWANDA"!

Pump it up, pack it in, hold on to that smile, shine up that logo, slap on some sunscreen.... It is almost camp time!!!! Camp is getting ready for you!! We have been waiting all year for our family to be together.

The forecast is awesome: activities, events, shows, adventure, laughter, tournaments, excitement, friendships, sports, new skills, projects. And sooooo much more!!

The 84th summer of *Camp Towanda* is going to be amazing (some may say, "The Best Summer Ever!"). Many returning staff (see *Welcome Staff* article) and an incredible line up of new counselors as well as an unbelievable schedule of activities, evening activities and special events (see below).

Sunscreen Factor now set at 84:

Opening Campfire and Staff Show, Big Brother & Sister Dessert, Scavenger Hunt, Banana Splits, 5 Year Club Trip, Porch Breakfast, Mickey D's???, Inflatable Rodeo, Horseracing, Madd Chadd, Towandaopolis, Unique Entertainment, Campapalooza, Krispy Kremes (???), Talent Show, Dave Mathews Concert, Water Carnival, The Guinness Record Breaking (did someone say Sidewalk Art for everyone at once?), July 4th Fireworks, The Senior/Dorm/Club Play in the amphitheater, Electionality, Friday Nite Flix (hey, let's hear it for the new MEDIA Center and Hockey Arena).

....And this is just the first 10 days! Along with awesome activities, inter and intra camp tournaments, excursions and adventures, the Summer of 2006 is also jammed packed with friendships and laughter...for everyone.

So, finish your homework, and then "Get Ready, Get Psyched and Get Goin'!"

See you at The Flagpole.... And don't forget your sunscreen!

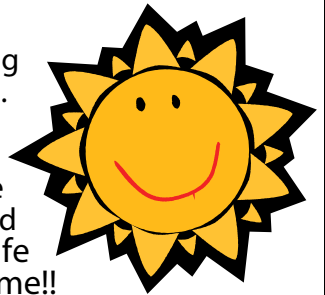

Mitch

BENEFIT OF CAMP

Camp is fun, camp is great, camp is awesome. But there is more.... Those who can't return often express their love and reflection on the benefits that were hard to realize or digest while at camp.

Camp helps, of course, foster healthy self-esteem and independence. Everyone has the chance to build on leadership and confidence qualities. Many alum report that the exposure of the different cultures help them see the world in a more understanding way.

Camp is like a learning laboratory; a healthy one. Camp certainly is continuing education...things perhaps one can't learn anywhere else. The support and structure is the way life should be. Camp is awesome!!

Editor's Note: This issue was delayed due to a broken thumb (on the typing hand) being endured by Mitch!

MANSION PORCH PLUS.....

- It has been suggested that since so many Bar and Bas Mitzvah themes seem to focus on *Camp Towanda*, it would be great to have a showcase of the different CT related table centerpieces.....could be a cool interpretation of camp life. We can make a display case in the Gazebo.
- The new website reviews..... If you have not checked out the new website, you gotta!!! People love it! There are a few bugs here and there, but we will be always enhancing and improving this fun off season connection and window into camp. If you haven't, don't forget to subscribe to our podcasts (coming this summer: *Friday Nite Flix* video podcasts).
- Note to parents: We empathize with the hassles of entering in the health form data, but once it is in, you will only have to update that over the coming years. If you haven't completed that, call us...we'll help walk you through it.
- If you change your email address, we won't know unless you tell us!!
- Culinary Weekend (If you love to cook or hang out at camp and have a tennis or basketball clinic, this is for you) and Labor Day weekend (relaxing family fun)check out information about these fun programs on our website. These are open to your friends and families of camp (including alumni, prospective and current families). The time to enroll for these weekends is now!

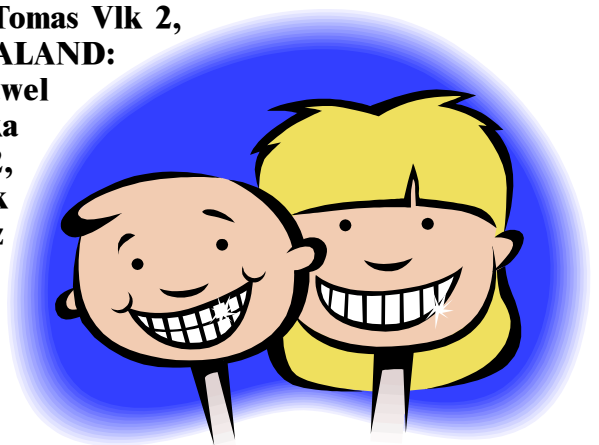

WELCOME STAFF!!!

The Staff is who makes camp, camp! These are the people who make it happen...who care.....who teach...who listen...who protect....who are the counselors!!!!

We are proud to welcome back many returnees and former campers as our counselors (they are listed below with their Years at Camp (YAC).....and also listed on the next page, we are excited to have many new faces join our camp family. Our experience is that it won't take long at all until we all know each other, having an awesome summer!!

Our extensive Orientation is already underway for some of our staff as we assemble and trickle into our summer home. Week by week and then day by day....the staff arrive, settle in and prepare for an awesome SUMMER OF 2006; WELCOME!!!

CAMP TOWANDA GRAN PRIX TENNIS LEAGUE

Robert Edwards, our Tennis Director for 7 years, is proud to announce the Gran Prix Tennis League. Roberto says, "This will be a weekly competition to accumulate points during the groups' tennis activity periods. A stipulated amount of tasks, exercises, and skills have to be performed to obtain the league points. Both boys' camp and girls' camp will have their own separate competition, producing a weekly champion (group) on each campus, with proper recognition!" As with everything Robert brings to camp, this promises to be yet another great enhancement to our program!

NEW AT CAMP...

For returning campers and staff, it is always very exciting to get off the bus and have that familiar rush of breathing in "camp air", seeing the people you know, the places you are familiar and comfortable withand, of course, discovering what is new..... this year, many will notice small subtle changes like a remodeled THE BOARD, the relocation of the portable climbing wall to the bumper car barn (so you can climb in place while waiting for your bumper car turn!), new sailboat, redesigned high elements at the O&A (outdoor adventure) course; a new floating mat in the lake, and not to mention "improved" glow in the dark GHOST and Dancing With the Staff!! ... AND MORE!!!

Speaking of S'more, more significant and noticeable changes could be the NEW OUTPOST 06 (formerly The Outpost 01), which will comfortably house our illustrious KMP (Kitchen and Maintenance Personnel) male staff, security guards as well as an all new MEDIA CENTER for our newsletter (*The Towanda Times*), radio station (WCTR- 1600 AM), Friday Nite Flix (FNF) and website and podcasting control room. In addition the OUTPOST 06 will have guest bathrooms for our visiting teams.

And finally, we will have opening ceremonies for *THE NEW BONE GULLY HOCKEY ARENA*....after 2 years of waiting, it will be ready for this summer. Many of you will recall untimely delays due to weather conditions (non stop rain in the 2004-5 off season), to the finding of the massive bone that was sent off for analysis (by the way, did you know that last year's National Boys discovered many bone and tooth fragments out at the farm that have been shipped off for forensic diagnostics.?) The hockey arena is large, enclosed but airy... it is awesome. You will just have to see for yourselves! Please note that the photos were taken in early April.

For those of you who live on Long Island and in Westchester and want to shop for camp AND do a good deed at the same time....

The first annual **"S.C.O.P.E. Kids Go to Camp"** will be held at all **Neil's Stores, on Saturday, May 6th**. For every dollar you spend on clothes and supplies for your kids, Neil's will donate a percentage to **Summer Camp Opportunities Provide an Edge (S.C.O.P.E.)**, an organization that provides camperships for inner-city children to attend non-profit overnight camps in the tri-state area. Co-sponsored by S.C.O.P.E., Summer Camp Opportunities Provide an Edge. www.scope-nyc.org. Mitch is on the Board of Directors of SCOPE, which is one of the organizations we get the LITs involved with. It is a worthwhile cause for everyone who loves camp.

Neil's Stores are located in: Albertson (516) 294-4425; Woodbury (516) 364-3942; Scarsdale (914) 472-8120; and, Mt. Kisco (914) 244-7010.

Leaders-In-Training

The LIT (Leaders-In-Training) Program, for those campers entering 11th and 12th grade, like other programs at camp, is always improving and enhancing. As our future counselors, they are making the transition from camper to counselor through many different activities. This year, their Group Leaders have designed several projects and activities for them.

Activities such as mitzvah projects and community service to charitable volunteering. In addition, they will have a book club as well as encouragement in regards to thinking ahead about preparing for college. The 2nd year LITs will be doing a college tour to the mid-Atlantic region, while the 1st year LITs explore Niagara Falls and Toronto. As mentioned in The College Connection article (in this issue), we will be helping these high school students tour various colleges during the off season.

Additional daily activities this summer include experiences with each age group, opportunities to work alongside the specialists at their departments, waiting duties, and being a big part of special events.

The LITs have become an important part of camp....leading camp into the future. After all, leadership skills are key to success at school, work and play. We are excited for this year's crew to arrive (see you at the first dinner)!

The College Connection

This winter we have experienced "college searching" with our son, Jared, who is entering his senior year in the fall (I know you alums who knew him as a newborn are flipping out)!

We discovered when touring colleges it was an incredible benefit to know a counselor at every school we visited. The benefits of knowing someone at the school include great insight, getting a "real" tour as well as it being a great comfort.

Stephanie and I realized that we want to offer, as a benefit, to our camp families, a networking college connection. Therefore, we are asking for our staff and alums (that are willing to participate) that are currently enrolled in college to send us their email address, the school name and graduation year. We will compile a list of emails and schools. Those families going on tour can then contact that camp person. By the way, it usually ends up being a "free lunch" for the touring college student!

While on this subject, we would like to shout out and thank the following for their time while we were on tour: TUFTS: Alissa Brandon; DELAWARE: Michelle Lapidus; CORNELL: Charlie Niesenbaum; LEHIGH: Jason Schatz & Matt Miller; BOSTON U: John Salt; SYRACUSE: Amanda Silverman, Hani Cohen, Micki Kabler and Emily St Lifer.
