HAPPY 4TH OF JULY!

It may have been raining but that couldn't stop the Fourth of July celebrations at Camp Towanda! The sun stayed out just long enough for a special flag raising ceremony by the Debs and Jest and some morning co-ed activities! Even the international staff got in the spirit of the red, white and blue!

Happy Independence Day!

On the Record!

How far can you spit a watermelon seed?? Everyone was up to the challenge as Camp Towanda attempted to create the longest continual line of water melon seed spitters!!

Stay tune to find out if we made the record!

Another Pelton Baby!

Welcome back campers! The 23rd of June, arrival day, was a great day. As we were all so happy to be back at camp, not very many people noticed the new baby hanging around. On January 22, 2007, Lisa and Michael Pelton had a baby boy named Andrew. He is now about 24 inches and 13 pounds. Since you are all curious about Andrew and he is curious about the new world, here are some things you should know! Andrew likes to grab things, roll around, be with campers and watch Sesame Street with his big sister Gracie. If you go to visit Andrew, make sure it's the right time because he takes 3 naps a day! Welcome to Camp Towanda Andrew Pelton!

A special thanks to Sydney Meister for writing this article. She also wrote an article about Grace Pelton when she was a baby!

Oh, Canada!

July 1st was a special day for all of Towanda's Canadian staff and campers. Everyone got in the spirit of Canada Day by wearing red and white! Those with the most spirit even wore maple leaf tatoos and hats! The Canadian flag flew proudly along with the American and the Canadian counselors started off the day with their national anthem! In English and French!

There was trouble in the streets when the Jets and Sharks met up! The audience laughed and cheered, and maybe even shed a tear, as Maria and Tony, played by Ben Lebowitz and Carly Glenn, shared their forbidden love through song! The performance of West Side Story, put on by the Dorm, Club, and seniors was definately a great way to start the summer drama season! Everyone did a great job dancing and singing into America! A special thanks to everyone who worked behind the scenes!

Water Carnival!

After a couple of cool days the sun came through in a big, shiny, warm way for this year's Water Carnival! There were lots of stations full of fun activities like boating and walking on water! There was also inflatable obstacle courses and slides. Everyone really enjoyed the snacks, like fudge bars, popcorn and just to be a little healthy, plenty of tropical fruit! DJ Mitch kept the music playing all afternoon and there was plenty of dancing in the streets! Well, dancing around the pool and lake actually, but still plenty of dancing!

The Magic Man!

Camp Towanda was amazed and bewildered when visited by Magician Jason Bishop! The crowd was endlessly entertained by his disappearing act, miniature magic and so much more!!

TOWANDAS GOT TALENT!

Piano Man,
Ethan Kripke

Upper camp was thrilled when they had the opportunity to watch the Lower Camp talent show! There were singers, dancers and piano players! Everyone did a great job!
