Can't wait to see YOU in 20-1-TWO!

90 Years! Can you believe it! We are beyond excited to celebrate Camp Towanda's 90th year! We have been extra busy getting ready this year as we gear up not only for a fantastic summer but also for a great 90 Year Reunion (there is still time to register! Check out page 8) In fact, we have been so busy that this issue of the Towanda Times might be just a little bit late but to make up for it we have packed it with enough to fill two issues (literally)!

Staff have already started to trickle in and the grass is growing, even on the new Gymnastics Hill! Orientation is just around the corner. Soon everything will be ready and all that will be missing is you! Get psyched, get ready as we launch into this summer.....

There are lots of exciting things to see and do when you arrive (did you check out the video of what's new on our Vimeo page? Do it now!). The first thing you'll notice, before you even drive up the driveway, is the new Gymnastics building! You can't miss it! Then there are new guard houses, viewing platform at GaGa, A/V tower at the Amphitheater, beach volleyball at Sunset Lake, a new sailboat, a new maintenance truck, pony hops, improved social media (for the parents back home!) and revamped culinary and nature programs! Of course there's more and we can't wait till you get here to show you everything!

SENIORS SLEEPOVERS REVIEW

Camp Towanda has some great traditions; this is an awesome one! Mitch & Stephanie love having the incoming Seniors at camp in the winter at The Mansion! The girls got to enjoy some winter adventures but by the time the boys came up (only a week later!) most of the snow had melted and we couldn't go far from shore on Sunset Lake! We did however get in the first game of Ghost for the year! A fun, but muddy adventure! Keeping with tradition, Mitch's fantastic spaghetti dinner was only outdone by his famous hibachi breakfast eggs! Special thanks to the Dads who helped out!

Watermelon League: A 2012 Revival?

by Brandon Reiter

Friendly competition. These two words are what make the last week of camp the best week of the year. Nine out of ten campers would say that olympics is their favorite part of camp (the tenth would probably say milk and cookies). But why? Why does Olympics always mark the end to a great summer? Why does splitting the entire camp into the Red and Blue teams create an immense amount of excitement? Friendly competition.

Back in 2001 when I was a Jet, once a week camp was divided into six teams to compete against one another. The grand prize: Watermelon. Thats right, watermelon. All of camp was competing over a piece of fruit, and it couldn't be have been more exciting. It was the friendly competition that made the Watermelon League so special. There was a March Madness feel to each game. It was a break from your normal activities, allowing you to team-up with other campers who you did not always spend time with. The Watermelon League hasn't been what it used to be in a while, but 2012 is a new year, with new ideas. There are plans for the Watermelon League to be brought back, so get pumped! There will be six teams, each will have an Upper Camp section and a Lower Camp section. The teams will compete in various activities at least once a week. Towards the end of the summer a winning team will be crowned and of coarse they get the grand prize: Watermelon.

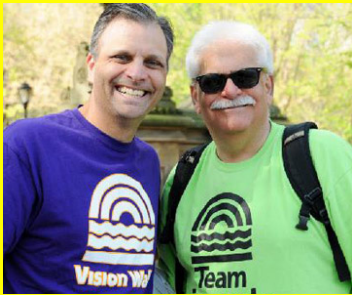

TOWANDA CARES

Our campers are involved in charitable and community service throughout the year. It was a beautiful sunny day on April 21 when many met in New York City's Central Park, along with over 500 other people for a great cause. Everyone did a great job representing camp and Mitch & Stephanie, who were unable to attend. This year's VisionWalk effort helped raise \$300,000.00. Our thanks to all the participants!

This summer we look forward to the Morry's Camp Swim-A-Thon, another great year of VisionWalk T-Shirt sales and fantastic other causes that we are proud to support.

STAFF! STAFF! STAFF!

As the staff trickles on to camp day-by-day and department-by-department, we can't help but get more and more excited! We have a number of returning staff, seasoned staff, former campers, exciting CITs and some impressive first time Towanda-ers from all over the country and the world helping make our special community a real family.
We welcome you all to camp and the summer of 2012!

Recipe for a Spectacular Summer

Last summer Stacy Gladstone, mother of Ava and Liza, sent this recipe for her daughters so it was waiting when they arrived at camp! We think its the perfect mix!

Take two girls - one a Tween, one a Junior*.
Add bunkmates, counselors, a wonderful head counselor, and great camp directors. Mix these ingredients until a thick bond of trust appears.

Then blend with 220 acres of land, a 35 acre lake, 12 tennis courts, lots of boats and lots of sports gear.

Stir in inter-camp games, field trips and amazing activities.

Layer in Friday Nite Flix and Girls Sing. Toss in some spirit, some teamwork and some confidence. Sprinkle with laughter, smiles and great music. Spoon in arts and crafts, tennis and cooking. Use a heaping amount of sunscreen.

Pour on even more sunscreen

Whip up Olympics.

Let this incredible mixutre stand.

Serves seven weeks

Please enjoy every bit of this recipe and savor each moment!

As the sky bruises, and the sun sets,
Slowly descending into an unknown place,
I wonder if we're all watching that same, big sun,
Sinking into a state of curiosity.

I think to myself, why must I be away?

Away from the people I love the most,

Away from the ones that truly care.

I think to myself, I don't belong here.

I belong in the rolling country side, with acres of imagination.

I belong in tents, making smores with the people I really love.

I am a girl who appreciates the ripples of the lake,

Hitting me softly, reminding me to cherish every moment,

And to never let a second go by without remembering it.

I belong in wooden bunks, filled with years of advice,

Filled with traditions, filled with secrets, filled with love,
filled with memories.

The ones I love the most are not here with me now.

For a while we're miles apart, but we still remember.

And when the sun starts shining once again,

Our spirit and our hearts are back where we belong,

In that same rolling country side, where we were before.

But until then, as I cry myself to sleep every night,

I think to myself,

I don't belong here, I belong with you,

At my real home...
