From The Great White North

Karen Gormley, one of our Assistant Girls Head Counselors, lives in Northern Canada (we think in an igloo), is a teacher in the off season and makes her way to camp each summer with her larger than life smile, quick wit, tremendous range of talent and incredible enthusiasm; shares and reflects on her time. We look forward to her 11th summer in 2013:

My Towanda experience began 10 summers ago in 2003 driving up the camp road with my best friend from home. We were scared and excited all at the same time, not knowing what the summer would hold. The thing was I wasn't a camper, I was coming as a first year staff member. Orientation ended and I was placed with the Dillie girls in bunks 2 and 3. I was so excited for them to arrive but had the same fears that many of you have all faced...Will they like me? Will I be a good fit? Will I want to come back for another summer? These were all questions I would soon find my answer to. One of the best memories I have was when the first camper arrived; she was definitely ready for camp to begin. There are many vivid memories I hold dear from my ten years here at Towanda; like one of my campers learning to ride her bike for the first time or to finally tie her own shoes. There are lots of major events that have happened throughout the years here at Towanda but it is definitely the small things that I hold onto.

I have had the opportunity to see many campers grow from very small boys and girls to the adults that lead camp today. I have celebrated graduations, engagements, baby showers and weddings with my camp friends. I have also gone through difficult times always with camp friends close by.

You come to rely on your camp friends as they always understand your home life but your home friends never get your camp life. It is hard to believe that even though we are only here for 7 short weeks the connections you make are forever.

I had the opportunity to live and grow each summer with 31 amazing girls from their Dillie summer to their Dorm summer. We laughed, we cried, and most of all we learned from each other. It is amazing to see many of these girls here at Towanda this summer as first year staff members. The lessons that I once learned from Lisa Pelton and Amy Miller (and there are many) I can now pass on to them. It is amazing to see that as one door closes here at Towanda another one opens. I have no doubt that as these young ladies head off to college they will do great things not only here at Camp Towanda but in whatever path they may choose for the rest of their lives. As another door opens for my time here at Towanda I know that these past ten years will never be forgotten (although I plan on returning for years to come).

For the rest of the summer try to remember the little things that happen that make you happy. Remember the smiling faces, the little Pelton's running around, the friends you have made, Bob and Amy, Michael and Lisa, and your Camp Parents, Mitch

and Stephanie.

As I leave you here tonight I leave you with My Top Ten of Camp Towanda:

10. Hearing the Dorm and Club Cheer on the first day of Camp.
9. Hearing "Towanda....this is Olympics (whatever year it might be)"
8. The running hugs when you first arrive each summer.
7. Meeting new friends and catching up with old ones.
6. Walking into the Field House for the first time (awesomeness)!
5. Watching the CC's being called at Break-out.
4. Porch talk time.
3. Driving up the camp dirt road.
2. Friday Night Services.
1. Being in a place that I love with the people I care about.

SENIORS SLEEPOVERS REVIEW

Camp Towanda has some great traditions; this is an awesome one! Mitch & Stephanie love having the incoming Seniors at camp in the winter at The Mansion! It was two wild weekends of sub-zero temperatures, snow, ice fishing, s'mores on the lake and snowmobile rides! The boys even got in the first game of Ghost for the year! Keeping with tradition, Mitch's fantastic spaghetti dinner was only outdone by his famous hibachi breakfast eggs! Senior Sleepover is a fantastic tradition and a great opportunity to fortify the special bond of this years' Seniors! Special thanks to the Dads who helped out!

MILLER TIME

Amy Miller-Horowitz, our Girls' Head Counselor, will be celebrating her 20th year at camp this coming summer! She is part of the 4 generation Miller clan that is woven through every bit of Towanda! Our camp is a better place, Girls' camp is a better place, because of Amy Miller! Stephanie can often be heard claiming "Amy was born to be The Girls' HC of Camp Towanda"! We are proud to share her moving sermon she presented during the first week of camp last summer.

Hi everyone. Welcome to your first Friday Night Service of the summer. I was so touched to be asked to do the sermon tonight. Through my 19 summers at camp, as a camper and a counselor, Friday night services were always and still are a favorite of mine. Whether I was sitting in the very front row as a young camper, sitting towards the back as a Dorm girl or sitting with my campers as a counselor, it is a time to reflect on the past week, remind ourselves how lucky we are to be here and a time to just be thankful. Thankful for the amazing opportunities camp gives us, and the lifelong friendships we make here. Thankful to be a part of this very special family: The Towanda Family.

When you think about family, I am sure most of you immediately think of your mother, father, grandparents, brothers and sisters. I am sure you also think about how being with your family makes you feel loved, accepted and safe. Unconditional love that sometimes is hard to describe.

Well, whether it is your first, second or your 22nd summer, you are now part of the "Towanda Family".

Some of you know how lucky you already are and some of you are just starting to understand. The Towanda Family is a large group of people that all have one very important thing in common; we all love this very special place. The love that people have for Camp Towanda and being part of this community creates an immediate bond, a closeness that is sometimes very indescribable.

Even though camp is only 7 weeks over the summer, the Camp Towanda Family includes over 90 years of people, friendships, traditions and memories. I want to share with you, who and what my Camp Towanda family includes...just so you can imagine what your camp family might look like:

1. Let's start with my life-long friends I grew up with here. We have since spent Bat Mitzvahs, weddings and even now our children's celebrations together.
2. All of the campers I was lucky enough to have as a counselor.
3. My old campers who are now my friends; whose many children are in camp today and I get the privilege of watching them grow up.
4. All my new friends I continue to meet, summer after summer.
5. Lisa, Michael, Gracie, Andrew, Jonathan and Emma, who I couldn't wait to meet!
6. My Aunt Phyllis and Uncle Bobby who are my rock, my amazing cousins and of course my beautiful, wonderful two daughters!
7. Mitch and Stephanie, Jared and Brandon, who make so much of this possible for all of us!
8. And of course you!! The adorable new little faces in the front rows to all of the grown up faces in the back!

I feel lucky, grateful and thankful to include you all in my amazing Towanda Family. I am a better person for having Camp Towanda in my life. Thank you.

"WE WELCOME YOU TO CAMP TOWANDA, WE ARE MIGHTY GLAD YOU'RE HERE..."

A very special thanks to CLUB & DORM 2013 who chaperoned the New Camper Group Scoop Orientation session for many of our new campers. They were all great! Warm, welcoming, caring and fun! Thanks to those counselors who also lent a hand! Since our last issue, we would like to welcome the following new campers to our Camp Towanda Family. These silly, just-for-fun nicknames are temporary...until you arrive at camp, where you will probably get a new one!

Forest "Ranger" Weiss, Savannah "Geordia" Weiss, Carly "Miss A-O" Miseo, Samantha "Wish" Wishnow, Gabi "G2" Goldsteen, Sean "Fry" Frydman (brother of Steven), Juan "Wall" Nutt (2nd generation dad Juan), Lorenzo "Cashew" Nutt (2nd generation dad Juan), Jessica "J-stein" Smelstein, Jenna "J-Bell 2" Bell, Juliet "J-Bell 1" Bell, Riley "Ri-Bo" Dembo, Tyler "D-Bo" Dembo, Gabby "Dinah" Kitchen, Shelby "EssBee" Buckstein, Devyn "D-C" Crone, Remy "RemCro" Crone, Logan "Lo-Ma" Maklan, Skylar "Sky-Ma" Maklan, Sophie "Sole" Levine, Chloe "Glow-E" Schlam, Ethan "E-Slam" Schlam, David "Doc" Romero, Josh "Romeo" Romero, Brett "Hub" Huberman, Cooper "Coop" Pollack

STAFF RECRUITING

The world gets smaller while Camp gets stronger! Towanda-ers surround the globe; we actually can't keep up with all the correspondence (calls, emails, mails, instant messages, etc) from those who have spent at least one summer at Camp Towanda! Know this, though; wherever you may go, chances are you are not far from a Towanda-er!

From our reunions, sleepovers, orientations and conferences, to our social media and planning meetings; camp is active all year round.

We feel it! We sense it! We hear about it! We witness it! The special love, camaraderie and comfort of what we all experience here is sometimes larger than one can describe; just know that you are part of something really special.

I DON'T WANT TO BE A "BUDA-PEST", BUT OUR STAFF IS THE BEST!

Mitch, Stephanie & Jared met with Szofi Erdelyi 2012', Zsuzsanna Banyai 2011', Regina Schwartz 2010, 2011, 2012', and Tamas Horvath 2011, 2012'

In Prague, we met with Tomas Rais while Jakub Havlicek gets credit for trying!

Everyone at Camp Towanda is integral, important and inspirational to the impact on the summer experience for all members of the Camp Towanda Family. From campers, bunk counselors, qualified instructors and specialists, leaders and senior staff to those behind the scenes who cook, clean and maintain our beautiful camp.

Everyone, one way or another, interacts with our kids; from the guy who cuts the lawn, picks up the garbage, cooks our food, mops the floors to those who work in the laundry, housekeeping or maintenance departments.

It is important, as Owners and Directors that we know everyone at camp...and they know and are comfortable with us as well.

We recently returned from an inspiring support staff recruiting trip to Prague and Budapest. Stephanie, Jared and I met with alumni and returnees; seeing, learning and experiencing their culture while interviewing and hiring new staff members to join the 38 returning KMP! KMP is our term for Kitchen & Maintenance Personnel.

38 returnees; that says a lot about how we care about our KMP Support Staff! Our Operations Director, Mark "Z" Zides, is legendary in the camping industry for overwhelmingly taking care of the KMP; just like Bob & Amy, our Head Counselors, take care of the counselor staff! Z has raised the bar each of his 18 years at Towanda!

One goal is for our international staff to feel safe and happy while they get into their responsibilities; enhancing, improving and positively impacting the summer's experience for everyone at Camp Towanda, even though they are so far from home!

Respect, cultural exchange and opportunity is what sets Camp Towanda apart! Our KMP get involved in our evening activities, special events and exchange of cultural information. Towanda is woven through people from over 25 states and 17 countries and that empowers us all to be ambassadors of our hometowns.

The Americans, former campers or not, welcome, get to know and work side by side with our international staff; adding to the already incredible dynamic experience at camp!

We are very excited about the wonderful staff we have assembled; pretty soon we will all come together! Our staff make life long friends around the world; which evolves into a great itinerary in their future!

Successful recruiting extends this year to England, Australia, Canada, Israel, Colorado, Massachusetts, California, Kansas, North Carolina, Texas, Florida, Wisconsin, Louisiana and on and on and on.

LUCKY 2013 is going to have a great staff; in the bunks, on the fields and behind the scenes!

One of the charitable organizations that *Camp Towanda* supports is the Foundation Fighting Blindness. Over the years, campers, staff, and family members have supported FFB by attending the annual VisionWalk.

Camp Towanda usually has one of the largest teams in attendance, and we want to continue that tradition this year. This is a great opportunity to see your camp friends and support a great cause; that is working hard to find cures for blindness. We want to thank the LITs of 2013 for helping make this a great event.
